**SPONSORSHIP INVITE
&
PACKAGE DESCRIPTION**

In 2019, a group of Fishing Enthusiasts who independently lead several fishing tournaments in San Carlos decided to come together with the intention to work together in order to offer better fishing events for the community, having in mind that all events were organized as non-for profit tournaments, and all proceeds are ultimately destined to charities in Guaymas and San Carlos, doing one concentrated effort just made sense... and San Carlos Fishing Tournaments (SCFT) was born!!!

After delaying the launch of the first tournaments that year due to the COVID-19 pandemic, we re-grouped in 2022 leading 4 of the 5 major Fishing Tournaments in San Carlos.

We hope that with your help and support we will continue to bring better events and better prizes with the ultimate goal to give more and better help to those who need it the most.

Join our effort and become part of this noble initiative.
